

Dear Family,

Today my class started Chapter 6, **Patterns**. I will be learning to identify, copy, extend, and create patterns. Here is my vocabulary word, an activity to do, and a list of books we can read together.

Love, _____

Key Vocabulary

pattern

Activity

Have your child make a pattern by using their hands and body. First have them put their hands on their head, and then their shoulders, and then their knees. Have your child repeat these motions three times to make a pattern. Allow your child to make up a movement pattern for you to perform.

Books to Read

Pattern Fish

by Anne Canevari Green

Zoe's Hats: A Book of Colors and Patterns

by Sharon Lane Holm

Lots and Lots of Zebra

Stripes: Patterns in Nature
by Stephen R. Swinburne
