Dear Family,

Today my class started Chapter 9, **Data and Graphs**. I will learn how to make and use picture graphs and real graphs. Here are my vocabulary words, an activity to do, and a list of books we can read together.

Love, _____

Key Vocabulary

data information gathered from objects and events from the environment.

graph a way to organize and present data.

Our Favorite Toys

Activity

Have your child ask family members or friends what fruit they like best: grapes, apples, or oranges. Have your child record the data. Ask your child questions about the information. For example, ask, "What fruit did most people like?"
