

# Trip Talk

## Chapter 7

- Challenge your child to find a vehicle with more than 4 wheels. Keep track of how many vehicles you can find with more than 4 wheels.
- Count the number of stop signs you pass through on your way to a destination.
- Have your child name the numbers on the license plate of a car that is visible to your child.
- Count the number of cats or dogs you see on the way to a destination.
